The Heart of San Jose

Serving Our Community

San Jose Rotarians serve youth, the homeless and disadvantaged, arts organizations, senior programs and veterans groups in our community by volunteering our time, providing hands on assistance and leveraging our financial resources to support other nonprofit groups.

The RotaCare clinic at Washington School provides free medical care for those without medical coverage. The Rotary Club of San Jose has deep roots in the community and takes action wherever and whenever a need arises.

100 Years of Service

From installing the first street signs in 1915 to building the Rotary PlayGarden in 2015, the Rotary Club of San Jose has been at the forefront of efforts to build the infrastructure and social fabric of our community.

San Jose Rotarians have volunteered more than 3,000,000 hours of community service and have given more than \$5 million in direct grants to over 100 community organizations.

Field Trips at Washington School

Supporting Local Students is a Priority

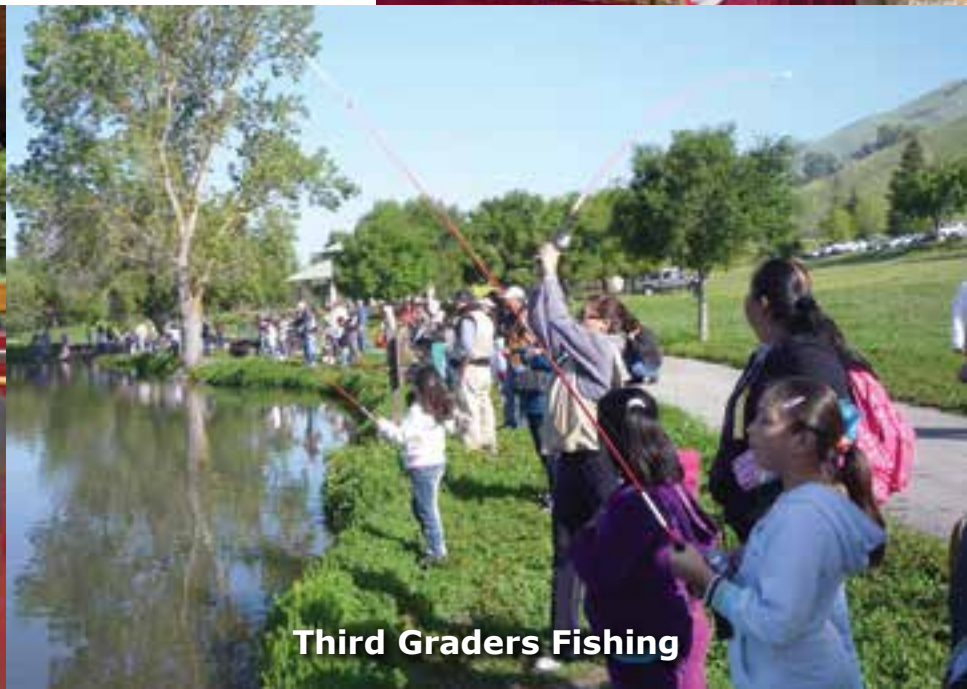

Students in San Jose are the beneficiaries of many Rotary programs. Inner city third graders go fishing, fourth graders go on field trips, fifth graders get scholarships to science camp. Seventh and eighth graders visit The Tech. Students participate in service clubs sponsored at five different high schools. High school juniors attend our three day Enterprise Leadership Conference and scouts of all ages participate in several groups chartered by the Rotary Club of San Jose. At Washington Elementary School, San Jose Rotarians support the students, staff and families with clubs, scholarships, College Night and even a student exchange to China.

We Partner With Other Humanitarian Organizations

Rotaplast International – we have sponsored 13 medical missions that have performed more than 1,000 surgeries.

The Wheelchair Foundation – delivery of more than 1,000 wheelchairs to six different countries.

ShelterBox – has delivered our relief boxes to Haiti (hurricane), Pakistan (earthquake) and the Philippines (typhoon).

VNHELP – seven different projects bringing clean water and school furniture to schools in Vietnam.

KIVA – Micro Loans to 50 different countries.

Eradicating Polio

Since 1985, Rotary International has led the effort to eradicate polio in the world. The number of cases has fallen from 350,000 in 1985 to under 100 in 2015. Rotary, and our partners, are very close to eliminating this crippling disease.

San Jose Rotarians Make an Impact Around the World

In addition to sending hundreds of wheelchairs, ambulances, mammogram machines and medical equipment around the world for international projects, the Rotary Club of San Jose has also sponsored 13 international Rotaplast missions to repair cleft lips and palates.

We sponsored major relief projects in Slidell, Louisiana (Katrina) and Karaikal, India (tsunami), as well as sending assistance to Haiti, the Philippines and Pakistan following their natural disasters.

Leadership + Fellowship

Rotary Summit Center

The Rotary Club of San Jose is a Leadership Organization

The Rotary Club of San Jose is the ultimate network. Our members include local business, professional and civic leaders.

We meet weekly, hear from great speakers and form lasting friendships.

It is our shared values of service and our friendship bonds that result in the Rotary Club of San Jose getting so much done in this community – and beyond.
